# GRID CEILING HOOKS

## SCREW-ON CEILING TRACK

Ideal for plasterboard ceilings or other non-grid areas. Shift sign placement left or right with ease, install parallel tracks for a 3D layered effect, eg in display windows. Remove and replace promotions in seconds. Powdercoated off-white to match ceiling.

#1767 1200mm  
#1768 2400mm

## FISH CLIP

Galvanized wire hook.

#1750

## WIRE CLIP

Low Profile Galvanized wire hook - can be installed with Ropole.

#1751

## FISH CLIP

Virtually invisible white plastic clip for light applications.

#1753

## REGULAR HOOK

2mm galvanized wire with 16mm opening.  
Ideal for ONE-UP applications.

#1770/4 100mm  
#1770/6 150mm  
#1770/12 300mm  
#1770/18 450mm  
#1770/24 600mm  
#1770/30 750mm  
#1770/36 900mm

# GRID CEILING HOOKS

## JET-WIRE® MOBILE SPRING

Jet-Wire® is an expanding spring hook which remains in desired position when it's pulled. Can be loaded with up to 1kg in all positions. Tensile strength when completely extended up to 3,5kg. Attach Jet-Wire® to the ceiling and pull down to desired position. Hooks on foldable wire make hanging simple and fast.

## 'S' HOOKS

Allows hanging of multiple signs or other objects in tandem.

- #1771 25mm long
- #1773 45mm long
- #1772 100mm long - heavy duty

## UNIVERSAL SPRING CLIPS

### A. Mighty Clip

50mm overall length with 10mm dia. rotating ring and spring clip. Black or White.

#5039

### B. Super Mighty Clip

100mm overall length with 25mm dia. rotating ring and heavy duty spring clip. Black or White.

#5033

### C. Boot Clip

120mm overall length with wire coat hanger hook and heavy duty clear plastic spring clip.

#5034

# POSTER RAILS - PLASTIC

## POSTER RAILS - PLASTIC

- In-store poster hanging has never been easier thanks to our range of poster rails that allow you to suspend graphics from thin paper to foamboards.
- Our range of ceiling-mount fittings offer fixed or variable length hooks that can be mounted onto suspended ceiling grid systems or flushed ceilings.
- Our new REEL-EASY retractable suspension fitting means that you'll never have to climb a ladder again to change signage.

## PLASTI-SLIDE

- Our lowest price sign holder.
- Sturdy yet lightweight.
- No scoring or stapling necessary.
- Simply slides on to graphic.

#1776/3 1000mm (L)

#1776/4 1250mm (L)

Available in Clear (CL), Black (BL)  
or White (WH).

**AP1777**  
Hanging clip.

## PLASTIC-GRABBERS

- Our most popular sign holder.
- Easiest to use - simple snap open, insert your graphic then snap shut.
- Install and replace in seconds.
- No scoring or stapling required.

#1780/3 1000mm (L)

#1780/4 1200mm (L)

#1780/8 2400mm (L)

#1780/10 3000mm (L)

### **Hanging Clips**

#1778  
Clear Plastic.

#1759  
Metal Clip.

# ALI-INFO RAIL

## ALI-INFO RAIL

This ALI-INFO system provides you with the most versatile signage system - a perfect combination of elegant, metallic appearance together with rigid construction that totally eliminates bowing over long lengths.

Available with accessories for a wide range of graphic materials - from thin paper, vinyl banner to 5mm thick foam board.

- #1787/3 1000mm (L)
- #1787/4 1250mm (L)
- #1787/8 2500mm (L)
- #1787/5M 5000mm (L)

Available in Clear Anodised (AN) or Polished Silver (PS).

## END CAP

Black plastic cap pushes into end to provide a finished look.

When you need to change the graphic simply rotate.

- #1779 Black plastic.

## HANGING CLIPS

- 1 #1778 Clear plastic.
- 2 #1759 Pressed steel-zinc finish.

## ALI-INFO + PLASTI-SLIDE

The economy of the PLASTI-SLIDE in conjunction with the rigidity of the ALI-INFO-RAIL. Works best in semi-rigid substrates up to 2mm thick. For longer lengths you can use a number of 300mm long PLASTI-SLIDE pieces for easier attachment.

- #1789/3 1000mm (L)
- #1789/4 1250mm (L)
- #1789/8 500mm (L)

Includes 2 x end caps.

Specify aluminium finish:

Clear Anodised (AN) or Polished Silver (PS).

## ALI-INFO + PLASTI-GRABBER

ALI-INFO-RAIL can accept up to 4.5mm thick foam board without scoring. Use #1736 plastic rivet on rigid substrates of thinner material.

- #1792/3 1000mm (L)
- #1792/4 1250mm (L)
- #1792/8 2500mm (L)

Includes 2 x end caps.

Specify aluminium finish:

Clear Anodised (AN) or Polished Silver (PS).

## ALI-INFO-RAIL & SEWN BANNERS

ALI-INFO-RAIL will accept vinyl or canvas banners with a sewn pocket to take an 8mm dia. dowel.

## ALI-INFO-RAIL & RIGID SUBSTRATES

#1736

- Drill 6mm diameter holes down 6mm (to centre)
- Push in plastic rivets from either side
- Slide into rails on inside of aluminium extrusion

# ALI-INFO-FRAME

## ALI-INFO-FRAME

More than just a great-looking frame - Ali-Info Frames are designed for maximum versatility and utmost ease of use. Able to mount almost anywhere, once assembled graphics slide in and out for quick changing. Whether you have one graphic to display or a whole programme, Ali-Info Frame provides the universal solution.

- Can be mounted to walls, windows, ceilings and floors.
- Top or side loading for easy changing.
- Choose from standard sizes or we can cut to your exact dimensions.
- Deluxe mitred corners simply push together for easy assembly.

**#1798**  
Available in Bright Chrome  
(C) or Satin Chrome (S).

### **F** SUCTION CAP ATTACHMENT

Plastic fitting clips onto the back of plastic corner and retains suction cap.

**#1744**  
Includes plastic clip  
& suction cap. Use 4  
sets per frame

# 'ZIVA' FOOTPATH SIGN

## 'ZIVA' FOOTPATH SIGN

- 70% of final purchasing decisions are made at the point of purchase. But first you have to get them into your stores.
- Taken over their lifespan, footpath signs are an extremely cost effective medium.
- Changing your advertising message to suit your current promotion, or product release, stimulates a higher level of interest resulting in increased sales.
- ZIVA Footpath Signs take A1 posters or digital prints which can be quickly and easily changed by one person.
- ZIVA Footpath Signs virtually eliminate the tripping hazard that traditional A-Frame signs present. The water weighted base prevents them being blown away in strong winds and becoming a traffic hazard.

#1705

Designed for exterior use - completely weatherproof and UV colour fast

Water weightable base for use in exposed situations

Quickly and easily changed by one person

Wheels for easy positioning

Lockable

Suitable for use with chalkboard panels - keeps

# TICKET HOLDERS & DATA STRIPS

## GRIP STRIP

Clear Butyrate - solvent bond to acrylic.  
Holds up to 1.5mm thickness.

- #0507A With adhesive tape - 150mm  
#0507B No adhesive - 2440mm

## DATA STRIPS

Self adhesive PVC extrusions with clear front which encloses the ticket and prevents dust being trapped in the base of the channel.

### Flat

	Length x Ticket height
