

Pro-Tek® Wall Covering

Impact Protection

Pawling's Pro-Tek® rigid wall covering is available with a variety of options. Choose from our standard Peblette or Suede textured finish, PVC or PETG material compounds, a variety of sheet sizes and rolls, any of our standard colors or custom color you can dream of. From the thinnest .030" gauge to our indestructible .125" sheet, Pawling's Pro-Tek® rigid wall covering can protect your walls, doors and equipment in any facility and any application.
